FOR CITIZENS OF A FOREIGN COUNTRY

These programs support the work of the YMCA of the Rockies which operates two mission-based family, group conferences and retreat centers Estes Park Center/Snow Mountain Ranch. They provide the opportunity to live, work and travel for up to 4 months in the US. The [Work & Travel](#) program allows College and University students enrolled full-time and pursuing studies at post-secondary accredited academic institutions located outside the United States to share their culture and ideas through temporary work and travel opportunities in the US. The [Camp Counselor](#) program enables post-secondary students, youth workers, and teachers to share their culture and ideas in camp settings throughout the country.

Please know that the YMCA of the Rockies is the host organization. We are not a visa sponsor and cannot offer positions directly to International applicants. You must be approved by an authorized Visa Sponsor, they will guide you through the visa application process.
